## Declaration of Conformity regarding the REACH Regulation

Salzburg, August 12th 2019

Dear Vision1 Eyewear customers,

With reference to the Regulation (EC) N° 1907/2006, issued by the European Union for the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), please be aware that:

- Vision1 GmbH products do not intentionally release substances meeting the criteria as described in Annex XIII of the EU regulation 1907/2006.
- During normal and reasonably foreseeable conditions use, products manufactured by Vision1 GmbH do not intentionally release any substance or preparation.
- According to our current best knowledge, products manufactured by Vision1 GmbH do not contain in excess of 0.1 mg/kg of Substances of Very High Concern (SVHC) listed in the "Candidate List" on today's date, as from ECHA decisions.
- Vision1 GmbH continuously undertakes communications throughout the supply chain in order to collect information about suppliers' compliance with the REACH Regulation.
